The VTEMA Mission

- The VTEMA mission is to promote the field of Emergency Management for public and private organizations, groups and individuals throughout the state of Vermont and beyond. The core areas of focus are training and continuing education, networking, professional development, policy development, resource sharing and raising awareness of EM within the field, with the public and government agencies.

New Opportunities

- What can we do for you?
- Where are the gaps?
- Ideas:
 - Support VT EMD Certification
 - Connect resources
 - Online platform
 - Assist in bringing trainings to VT
 - More:
