# **Public Assistance Applicant Quick Guide**

**Completing and Submitting the** 

**COVID-19 Streamlined Project Application** 

This Quick Guide provides step-by-step guidance for Applicants on completing and submitting the COVID-19 Streamlined Project Application, including tracking and monitoring the status of submitted projects.

Applicants are state, tribal, territorial, or local governments or private non-profit entities that submit requests for assistance under a Recipient's Federal award. Recipients are state, tribal, or territorial entities that receive and administer Public Assistance Federal awards.

download and complete the fillable Adobe Portable Document Format (.pdf) application using the instructions in the form and then upload it in Grants Portal. The Applicant can track the status of the application, provide additional requested information, review and sign projects, and make

		No supporting documentation has been added.	_	

- When all questions have been answered and the project application along with supporting documentation has been uploaded, click "Submit Application". A system notification will confirm submission, and the project status in Grants Portal will be updated to "Pending CRC Development".
- When the application enters "Pending CRC Development" status, the application has been routed to staff at a FEMA Consolidated Resource Center where FEMA specialists scope, cost, validate and review the the information in the project application for compliance with all state/local and Federal laws and regulations.

#### **Reviewing and Signing a Project**

Following FEMA and Recipient approval of the project application, the Applicant reviews and signs the project in Grants Portal.

The Applicant will be notified by email that the application is ready for review. At that point, the Applicant may go to the Tasks tab and click "Review" to begin reviewing the project application.

After a project has been submitted, the "Process Step" column will reflect the FEMA or Recipient activities being conducted to review the project. Generally, the Applicant has no action during these steps unless a FEMA or Recipient representative specifically contacts the Applicant. The following table summarizes the processing steps an Applicant may see, and what each of those steps means:

	Summary of Project Process Steps
Pending Formulation Completion	The project application is pending completion and upload by the Applicant.
Pending CRC Project Development, Peer Review, Insurance Completion, QA Review, or EHP Review	FEMA specialists are processing the project, including reviewing documentation, developing scopes of work and cost estimates, and ensuring compliance with applicable requirements.
Pending Final FEMA Review	A FEMA official is conducting a final project eligibility review.
Pending Recipient Final Review	A Recipient official is conducting a final project eligibility review.
Pending Applicant Project Review	The project is ready for the Applicant's final review and signature.
Applicant Signed Project	The project is ready for FEMA to make funding available through the Recipient for the Applicant.
Obligated	Federal funding has been approved for release through the Recipient to the Applicant.

The *Applicant Quick Guide* series is a set of documents that explain the roles and responsibilities of Applicants in key steps in FEMA's Public Assistance Program delivery process. Read more about Public Assistance Program delivery in the <u>Public Assistance</u> <u>Program and Policy Guide</u>, and other resources available on <u>Grants Portal</u>.
