

Environmental & Historic Preservation (EHP) Supplement

A. Endangered Species Act and Fish and Wildlife Coordination Act

Is your project in, near (within 200 feet), or likely to affect any type of waterway or body of water?

Yes No Not Known

If Yes, and project is not within an existing building, you must confirm that you have provided the following:

- An aerial map outlining the project area and relation to all known nearby water bodies (within 200 feet).
- Any information about the type of water bodies nearby including for each: name (if known), dimensions, proximity of the project activity to the water body, and any potential impacts on water body during or after the project.
- A photograph or digital image of the site showing the body of water and the project area, if possible.

To help FEMA evaluate the impact of the project, please indicate below any other information you are providing:

- Evidence of any discussions with the US Fish and Wildlife Service (USFWS), and/or your State Wildlife Agency concerning any potential impacts if there is the potential for the project to affect any water body.
- Attached materials or additional comments.

Please enter your comments below. (If you selected Yes or Not Known above, please explain in the text box below and provide any relevant information about this project that could assist FEMA in its review of this topic. If you selected "No" you can write "N/A" here):

Attachment Names (attach separately):

B. Clean Water Act, Rivers and Harbors Act, and Executive Order 11990 (Protection of Wetlands)

1. Will the project involve dredging or disposal of dredged material, excavation, added fill material, or result in any modification to waterbodies or wetlands?

Yes No Not Known

If Yes, you must confirm that you have provided the following:

- Documentation of the project location, such as an aerial map with project area outlined and/or an image of project site.
- Narrative of construction activities and any anticipated or potential impacts on waterbodies or wetlands.

To help FEMA evaluate the impact of the project, please indicate below any other information you are providing:

- Request for information and response letter from the US Army Corps of Engineers ([New England District](#)) and/or State resource agencies ([VT ANR](#)) regarding the potential for wetlands, and applicability of permitting requirements.
- Evidence of alternatives considered to eliminate or minimize impacts to wetlands.
- Attached materials or additional comments.

Please enter your comments below. (If you selected Yes or Not Known above, please explain in the text box below and provide any relevant information about this project that could assist FEMA in its review of this topic. If you selected "No" you can write "N/A" here):

Attachment Names (attach separately):

C.Executive Order 11988 (Floodplain Management)

1. Does the project alter a watercourse, water flow patterns, or a drainage way, regardless of its floodplain designation? Yes No Not Known

If Yes, please indicate below any other information you are providing to help FEMA evaluate the impact of the project:

- Hydrologic/hydraulic information from a qualified engineer to demonstrate how

drainage and flood flow patterns will be changed and to identify down and upstream effects.

- Evidence of any consultation with US Army Corps of Engineers ([New England District](#))
- Request for information and response letter from the State water resource agency ([VT ANR](#)), if applicable, with jurisdiction over modification of waterways.
- Attached materials or additional comments.

Please enter your comments below. (If you selected Yes or Not Known above, please explain in the text box below and provide any relevant information about this project that could assist FEMA in its review of this topic. If you selected “No” you can write “N/A” here):

Attachment Names (attach separately):

D. Farmland Protection Policy Act

1. Will the project convert more than 5 acres of “prime or unique” farmland outside city limits to a non- agricultural use? Yes No Not Known

Please enter your comments below. (If you selected Yes or Not Known above, please explain in the text box below and provide any relevant information about this project that could assist FEMA in its review of this topic. If you selected “No” you can write “N/A” here):

Attachment Names (attach separately):

E. RCRA and CERCLA (Hazardous and Toxic Materials)

1. Is there a reason to suspect there are contaminants from a current or past use on the properties associated with the proposed project. Yes No Not Known

If Yes, please indicate below any other information you are providing to help FEMA evaluate the impact of the project:

- Comments and any relevant documentation.
- Results of any consultations with State or local agency to obtain permit with requirements for handling, disposing of or addressing the effects of hazardous or toxic materials related to project implementation.
- Attached materials or additional comments.

Please enter your comments below. (If you selected Yes or Not Known above, please explain in the text box below and provide any relevant information about this project that could assist FEMA in its review of this topic. If you selected “No” you can write “N/A” here):

Attachment Names (attach separately):

2. Are there any studies, investigations, or enforcement actions related to hazardous and toxic materials for the properties associated with the proposed project?

Yes No Not Known

If Yes, please indicate below any other information you are providing to help FEMA evaluate the impact of the project:

- Comments and any relevant documentation.
- Results of any consultations with State or local agency to obtain permit with requirements for handling, disposing of or addressing the effects of hazardous or toxic materials related to project implementation.
- Attached materials or additional comments.

Please enter your comments below. (If you selected Yes or Not Known above, please explain in the text box below and provide any relevant information about this project that could assist FEMA in its review of this topic. If you selected “No” you can write “N/A” here):

Attachment Names (attach separately):

3. Does any project construction or operation activities involve the use of hazardous or toxic materials? Yes No Not Known

If Yes, please indicate below any other information you are providing to help FEMA evaluate the impact of the project:

- Comments and any relevant documentation.
- Results of any consultations with State or local agency to obtain permit with requirements for handling, disposing of or addressing the effects of hazardous or toxic materials related to project implementation.
- Attached materials or additional comments.

Please enter your comments below. (If you selected Yes or Not Known above, please indicate why in the text box below and any information about this project that could assist FEMA in its review. If you selected “No” you can write “N/A” here):

Attachment Names (attach separately):

4. Do you know if any of the current or past land-uses of the property affected by the proposed project or of the adjacent properties are associated with hazardous or toxic materials?

- Yes No Not Known

If Yes, please indicate below any other information you are providing to help FEMA evaluate the impact of the project:

- Comments and any relevant documentation.
- Results of any consultations with State or local agency to obtain permit with requirements for handling, disposing of or addressing the effects of hazardous or toxic materials related to project implementation.
- Attached materials or additional comments.

Please enter your comments below. (If you selected Yes or Not Known above, please indicate why in the text box below and any information about this project that could assist FEMA in its review. If you selected "No" you can write "N/A" here):

Attachment Names (attach separately):

F. Other Environmental/Historic Preservation Laws or Issues

1. Are there controversial issues associated with this project? Yes No Not Known

If Yes, please indicate in the text box below a description of the requirements, issues or public involvement effort (If you selected Not Known above, please indicate why in the text box below and any information about this project that could assist FEMA in its review. If "No" then write "N/A" below.):

2. Have you conducted any public meeting or solicited public input or comments on your specific proposed mitigation project? Yes No

If Yes, please indicate in the text box below a description of the requirements, issues or public involvement effort. (If you selected "No" indicate if you plan to do so for your proposed project.)

Attachment Names (attach separately):
