

VEM Emergency Management Director Certification Exercise Observation Questionnaire

Prior to observing the exercise, please ensure you have completed IS120. You will be asked to provide your certificate to the Exercise Director.

1. What type of exercise did you observe?
2. Have you observed or participated in any other exercises?
3. If you were a participant in this exercise, what are some key takeaways that you would include in the After-Action Report?
4. Where their ideas, thoughts or solutions, that you as an observer, might have suggested to the participants?
5. Have you completed the Homeland Security Exercise and Evaluation Program? If not, after having observed this exercise, are you interested in learning more about developing exercises?
6. Name something that you observed that would not work with your plan or jurisdiction.
7. Could you tell from observing who was in charge
8. Could you tell what the scenario was presenting
9. Identify some of the documentation that was utilized and how it served or enhanced the exercise
10. How would you have addressed or reported
11. If you were to plan an exercise, what are some things that you would want to see or use. What situation would you put in, who would you include?
